Dear Jeff,

PM-1319 Australia
Our File: 30589

Further to my letter of 23rd April I have now received a report from our Australian Associates.

They regard the filing of a divisional application as inevitable and have accordingly filed a response and amendment in the present application which effectively restricts the application to the first group of claims. A copy of this amendment is enclosed and we shall be reporting in due course on the filing of the divisional application.

Yours sincerely,

J. H. Bass
